M-SERIES CABINET ACCESSORIES

PRE-WIRED BT COMMUNICATIONS TRUNKING

Pre-wired to New Zealand Telecom standards, these optional telephone jacks terminate in 50 way female champ connectors for a number of outlets.

10 outlets for trunking – 900	1118 0001
16 outlets for trunking – 1200	1118 0002
20 outlets for trunking – 1500	1118 0003
24 outlets for trunking – 1800	1118 0004
24 outlets for trunking – 2100	1118 0005

SHELVES

M-Series cabinets are supplied with rails as standard for fitting shelves at any height. Shelves are available in various sizes. The shelves do not occupy any racking space and are fully ventilated to allow maximum air flow whilst retaining strength and rigidity. Supplied with mounting hardware.
