

HEADING EXPLANATIONS :

- Avail** = Actual AVAILABLE stock for sale (include stock to arrive, stock in production, less customers forward order)
Un = Unit of supply / pricing (M = Metre, M2 = Square Metre, Kg = Kilogram etc.)
Price = List Price for 1 Unit in NZ\$ (quantity prices will be supplied based upon customer requirements)
TypeNo = CASA's Product reference number (either the manufacturers OEM Number or produced from CASA's Part Number Composer see separate chart/table for explanation of the rules and nomenclature)
