

MODEL 74F Coax Stripper

The Model 74F is a versatile triple head Rotary Wire Stripper designed to perform a multitude of different wire stripping tasks. This unit can strip three different size Hookup Wires, small Multi-Conductor Cable, and process a three stage strip on Coax. The machine can be configured with either Single or Twin Blade Face Plates depending on your specific application. Change-over from one wire to another is quick and easy, simply adjust the Blade Depth, Strip Length and Interchangeable Wire Guide. The Model 74F comes Standard with a durable Powder Coat Finish, 1 Year Limited Warranty and your choice of (3) Face Plates and (3) Wire Guides.

STANDARD FEATURES:

P/N 2500 Twin Blade Face Plates
 P/N 1877 Single Blade Face Plates
